ALFALFA SEED

As you may know, the demand for Alfalfa was very heavy last spring, resulting in a complete sell out of U. S. grown origins. Due to unfavorable weather conditions, new crop will be late and spot stocks are, therefore, extremely scarce.

We are fortunate to be able to offer you for

**Immediate Shipment, New Crop Approved
Oklahoma Alfalfa**

as well as **Keystone Quality Canadian.**

For those who prefer a truly hardy type, we recommend the Canadian.

For prices, please note quotations on inside of list.
